Press release

Schades - R+S Group continues its investment the Point of Sale Receipt Roll Business

Hannover, Germany - January 31, 2022

As the leader in the European Receipt Roll market, the Schades - R+S Group continues its promised commitment in investment, enabling continued growth with existing and new customers.

R+S Group has just completed installation of its fully automatic, 3 colour in-line, Lemu Roboplus machine.

This is the largest machine in the Receipt Roll converting market – having a full web and print width of 1600mm with a gearless servo press enabling the highest quality of print, running at speeds up to 700 M/min.

With a 4 colour machine order placed and a full automation of packing lines scheduled, these investments along with the Schades – R+S Groups unique advantage of multi-site operations continues to strengthen its ability to serve customers throughout all Europe.

Schades - R+S group produce, sell and distribute paper rolls and self-adhesive labels. With production sites in Germany, Denmark, France and the UK and sales offices and/or warehouses at production sites as well as in Spain, Sweden, Finland and Switzerland, Schades - R+S Group offer a local presence and an extensive distribution network across Europe.
